

WELCOME

The Spring Summer collection 2023 showcases seven couture cakes inspired by the world's greatest designers from Loewe to Kenzo.

Ingredients are inspired by the season, with cakes featuring pineapple, passionfruit and summer citrus flavours.

This season The Berkeley pastry team pays a heartfelt homage to the late and great Vivienne Westwood with a Madagascan vanilla biscuit portrait intricately iced, complete with iconic red hair. Whilst in this collection two designers make their Prêt-à-Portea debuts: Zimmerman, known for their playful style as well as US Label Thom Brown.

HOW WE MAKE TEA

We at The Berkeley believe that even the humble cup of tea requires a lot of love and attention to be the best it can be. Working alongside skilled tea masters to source and curate our tea menu, we particularly enjoy our rare and seasonal selections which evolve and change with the seasons. In addition, we source our teas from their historical origins as we believe this gives a truly representative cup.

Once we source the finest teas we give the leaves a little more attention than most, in fact we take a truly scientific approach. Treating the leaves as the specialised ingredients that they are. Here are our secrets:

- 1 Weigh them according to tested recipes.
- 2 We are then very careful of the temperature of the water, ensuring that green & white teas are made with 70-80°C water to allow the flavours to come alive.
- 3 We spend just the right amount of time infusing the teas ensuring a balanced extraction.
- 4 Finally we decant the infusion from the leaves, this stops the teas from over infusing and developing bitter flavours we all don't like

Tisane, often known as herbal teas, are produced using flowers and fruits rather than tea leaves.

We explore the six main tea types over the next few pages and would be delighted to help with making your selection.

Not sure which tea to pick? Look for a small cup of tea, this will guide you to our team's favourites. These teas are the ones we think best showcase each category of tea.

WHITE TEAS

Sweet & mellow

“White teas are predominantly produced in Southern China. Their sweet, often fruit flavour, soft texture and thirst quenching character lends them to all day drinking. The least processed of all teas, white tea production is characterised by a long withering stage, traditionally spring picked leaves are left to dry for up to 72 hours before being gently heated for a few hours”

WHITE PEONY (China, Fujian)

Refreshing, rounded malt, melon

Sourced from Fuding in Fujian province, this very high grade White Peony undergoes natural slow ambient drying. Sets of two deep green leaves and a downy silver bud produce a pale green infusion of sweet honey notes with a refreshing cucumber and melon finish.

JASMINE SILVER NEEDLE (China, Yunnan)

Delicate and mellow with uplifting jasmine fragrance

Produced in the neighbouring provinces of Yunnan and Guagnxi, the downy buds are picked early in Yunnan's spring and simply dried in the sun. Come August the tea is laid beneath a bed of fresh jasmine flowers for five consecutive nights imparting a fresh, fragrant jasmine aroma. Both delicate and soothing it's perfect for a calming moment in the afternoon.

Our showstopping china is unique to The Berkeley capturing the sartorial style of Prêt-à-Portea and features the iconic indigo, yellow and lilac palette. We have gift sets available to purchase – speak to your waiter should you wish to take a bit of the Berkeley home with you.

GREEN TEAS

Vibrant, grassy & refreshing

“Bursting with vibrant grassy flavours, a sublime natural sweetness and silky texture. There are hundreds if not thousands of green teas in China alone, we source from mostly China, with our Matcha coming from Japan. We find the best green teas are deliciously fresh – they taste green and alive. Much of the final taste is determined from the processing of the fresh leaf, with Dragonwell being pan fired leading to a gentle nutty flavour.”

JADE SWORD GREEN (China, Hunan)

Bright, green, grassy, spring fresh

This organic single origin tea is a textbook example of a bright and refreshing green tea. With a slight grassy note it is brisk and invigorating; just the thing to drink all day.

DRAGON WELL GREEN (China, Zhejiang) £2 supplement

Vibrant, spring fresh, smooth, creamy hazelnut

China's most prized and famous tea, also known as long jing green. Produced in the hills surrounding Hangzhou's West Lake. Pan firing is the secret to the unique nutty flavour and its iconic flattened spear like shape.

MATCHA SUPREME (Japan, Kagoshima) £3 supplement

Vivid, grassy, creamy, invigorating

Our Matcha has a deliciously sweet and deep flavour.

The finest tencha leaves give it a vivid bright green colour. Producing Matcha is famously labour intensive – it can take up to one hour to grind just 40 grams of this tea, but the result when made correctly is well worth the effort.

GENMAICHA (Japan, Shizuoka)

Mellow, Toasted, Warming

‘Genmaicha’ – literally translating as ‘brown rice and tea’ – refers to the addition of rice to a green tea base. ‘Mochi Gome’ rice – a premium rice – is steamed and then roasted, which browns the grains and imparts an unforgettable toasted taste when blended with the tea

Rare & Seasonal

FLOWERING JASMINE AND LILY (China, Fujian) £9 supplement

Intense, fresh, floral

Green Tea from the Fujian province is used as a base to the floral scents of vibrantly coloured lily petals and jasmine blossoms. Each bulb is hand-tied and will unfurl and blossom on infusion.

All prices are inclusive of VAT at the current rate.

A discretionary service charge of 12.5% will be added to your bill.

OOLONG TEAS

Rich & complex

“The most varied and complex of all teas - regarded amongst connoisseurs to be the most exciting of all. The best Oolongs are produced in China & Taiwan where the climate and soil along with local expertise allow this complex tea type to come alive. This category of tea can be characterised by the partial oxidation as well as the level of roasting”.

ALI SHAN (Taiwan, Chiayi)
Floral, Buttery, Refreshing

Grown in the lofty heights of Taiwan's most-treasured national park. Ali Shan 'Mount Ali' Oolong teas are famous for their outstanding aroma and flavour. A true favourite, our Ali Shan boasts fresh notes of spring flowers with depth of mango and apricot.

PHOENIX HONEY ORCHID (China, Guangdong) £2 supplement
Rich, roasted nuts, fruit, flowers & honey

Hailing from the orange groves nestled in the Phoenix mountain range in the Guangdong province, this complex yet accessible Oolong brings notes of orange, vanilla and honey. Pair this tea with savoury dishes and the honey flavour from the elegant long leaves will come to life even more.

Rare & Seasonal
ORIENTAL BEAUTY SUPREME (Taiwan, Hsinchu) £15 supplement
Sweet, fragrant, iconic

Often referred to as the late Queen Mothers favorite tea. This is a highly aromatic oolong tea with notes of apple, grape and fragrant wood. With its iconic tart sweetness, Oriental Beauty is a fantastic oolong tea for the afternoon and pairs well with light pastries.

BLACK TEAS

Bold & strong

The most common, but the most misunderstood tea type. We source tea from various origins including China, India & Sri Lanka to find the most authentic cup and the nation's favourites. Black teas can be beautifully rich and bold or gentle, fragrant and delicate. To be a black tea, leaves must be fully oxidised allowing the more robust flavours to develop.

DARJEELING 2ND FLUSH (India, Darjeeling)

Fragrant, rounded, warming

Our tippy Darjeeling 2nd Flush tea encapsulates the best of the summer season of this famous region. Lighter and more fragrant than other Indian black teas, this particular darjeeling tea combines warming and comforting aromatic flavours with a deeply refreshing taste and enough body to make it a classic afternoon tea.

VANILLA BLACK (Sri Lanka, Ruhana)

Sweet, fragrant, rich

Our Vanilla Black is a rich yet smooth tea scented with vanilla essence. The soft, creamy vanilla naturally sweetens the bolder black tea. A perfect afternoon or evening treat.

ASSAM BREAKFAST (India, Assam)

Broad, full, rich, malty

Whilst usually a blend, we source our Breakfast Tea from the finest tea gardens of Assam. This tea offers the perfect balance of strength, assertiveness and rich malty flavour, everything you need to start your day.

DECAFFEINATED CEYLON (Sri Lanka, Ruhana)

Rounded, smooth, warming

Enjoy the rich, satisfying character of our Ceylon blend, selected from the island's best gardens. Perfect for those looking to enjoy the unique taste of one of the world's great tea regions while avoiding caffeine.

BLACK TEAS

EARL GREY (*Sri Lanka, Ruhana*)

Energising, extremely fragrant citrus notes on a rich Ceylon base.

To create our Earl Grey we selected a delicious full-bodied black tea from Ruhuna in Sri Lanka. Teaming this with a touch of bergamot tempers the richness and gives the tea the classic citrusy note. A long-standing favourite.

RARE & SEASONAL

RED DRAGON (*China, Yunnan*) £15 supplement

Ripe, fruity, revealing

Red Dragon is a unique and exceptional tea, processed by masters as a Black Tea using a cultivar traditionally used for Oolong Tea. This gives the tea a syrupy, rich texture, fruity aroma and an enticing flavour of dark berries, ginger, caramel and chocolate.

Fragrant, sweet, reviving

Created exclusively for the Berkeley, this small batch of Organic Darjeeling First Flush truly express the finest and rarest features Darjeeling has to offer. Beautifully fragrant with warm, floral aromas it gives way to a taste that has complete clarity of honeysuckle, with a sweet mouthfeel, light astringency and rich texture.

PU ERH

Aged & mature

Only teas produced and aged in Yunnan, Province of China, can be called Pu erh. A fascinating tea type with a completely unique character and flavour, it is often referred to as vintage or aged tea, and it has long been a national treasure within China. Likened to a fine wine, a degree of knowledge and connoisseurship goes a long way in enhancing appreciation of this rare tea type.

VINTAGE COOKED PU ERH (*China, Yunnan*) £6 supplement

Mellow woody, earthy with tobacco

Hailing from the Yunnan province in China, this is a great introduction to cooked Pu erh – rich yet subtle, with a woody, earthy character, smooth texture and deep dark colour.
