TEA

We at The Berkeley believe that even the humble cuppa requires a lot of love and attention to be the best it can be. Working alongside skilled tea masters to source and curate our tea menu, we particularly enjoy our rare and seasonal selections which evolve and change with the seasons. In addition, we source our teas from their historical origins as we believe this gives a truly representative cup.

Japan, Kagoshima | Vivid, Grassy, Creamy, Invigorating

£10.50

Our Matcha has a deliciously sweet and deep flavour. The finest tencha leaves give it a vivid bright green colour. Producing Matcha is famously labour intensive and it can take up to one hour to grind just 40grams of this tea, but the result when made correctly is well worth the effort.

FLOWERING JASMINE AND LILY

China, Fujian | Intense, Fresh, Floral

£16.00

Green Tea from the Fujian province is used as a base to the floral scents of vibrantly coloured lily petals and jasmine blossoms. Each bulb is hand-tied and will unfurl and blossom on infusion.

OOLONG

ORIENTAL BEAUTY SUPREME

£22.00

Often referred to as the late Queen Mothers favorite tea. This is a highly aromatic oolong tea with notes of apple, grape and fragrant wood. With its iconic tart sweetness, Oriental Beauty is a fantastic oolong tea for the afternoon and pairs well with light pastries.
